Pallet Display Clip, 4-Way

Join display boxes securely and seamlessly with FFR-DSI's Pallet Display Clip, 4-Way. This simple, effective solution connects four boxes at their common corner for a display presentation that is neat and secure.

Display Construction ■ Pallet Display Clip, 4-Way

Features and Benefits

- 4-way connector joins palletized display boxes quickly and easily: simply slide the clip over the boxes' shared corner.
- Keeps display boxes securely in place to prevent slipping and ensure customer safety.
- Provides added support and strength to stacked cartons.
- Economical clip is available in custom colors to complement any seasonal or promotional display.
