# Pallet Sign Holder

Ensure floor displays gain customer attention with FFR-DSI's adjustable Pallet Sign Holder. The shovel base fits securely beneath bulk merchandise bins and is available in two styles for single or multi-channel signing, allowing for the optional combination of both pricing and promotional information.

## Features and Benefits

- Convenient way to sign floor displays.
- 10" square base slips underneath display to hold it in place.
- Height adjusts from 50" H to 70" H.
- Sign Frame and Track Extrusion option adds versatility to display multiple signs.

See our complete line of Sign & Literature Holders, as well as thousands of other merchandising systems and accessories, in the FFR-DSI YELLOW PAGES® Catalog.
