The Perfect Pineapple Cutter / Table Top Pineapple Peeling & Coring Machine

Reduce labor cost while enhancing product presentation with FFR-DSI's Perfect Pineapple Cutter and Table Top Pineapple Peeling & Coring Machine. Cutter slices top and bottom of pineapple to create stability for the coring process. Corer peels and cores in one step, producing a high-yield product cleanly and efficiently. Both are adjustable to fit all sizes of pineapples. Rust-proof stainless steel and plastic construction is easy to keep clean and sanitized.

Features and Benefits

- A The Perfect Pineapple Cutter**
 - Solution to producing better quality products.
 - Slices tip and bottom of pineapple off evenly, ensuring an efficient coring process.
 - Reduces shrink by evenly lining up with the coring blade.
 - Adjusts to all pineapple sizes.

Specifications

- A Pineapple Cutter**
 - No. 9922912553
 - Material
 - Made from stainless steel with plastic safety blade covers
