# Plastic Guarded J-Hook with Channel Mount

Drive impulse sales, while protecting against theft and enhancing safety with the Plastic Guarded J-Hook with Channel Mount from FFR-DSI. Neat, boxed-in design reduces loss due to "sweeping," while providing a built-in buffer to protect customers and staff. Plastic construction is ideal for lighter weight product.

## Features and Benefits

- Attaches securely with included hardware into most standard 1 1/4" H shelf channels to add extra selling space instantly.
- Built-in guard protects against theft, keeps product neatly in place and provides a safety zone for customers and staff without interfering with shopping and stocking.
- Includes a built-in scan plate for important pricing information.
- 3" L guard has 2 1/8" L hook.
- 4" L guard has 3 1/8" L hook.
- Durable natural acetal construction suits any store interior.
