

Premier™ MM2 SuperGrip® Banner Stand

Grab customers' attention whether they're coming or going with our double-sided aluminum SuperGrip® Banner Stand. Adjustable from 36" to 96" high, FFR-DSI's Premier™ MM2 SuperGrip® Banner Stand has a finished look and can be used as a one or two sided stand. With our SuperGrip® technology, you can set the banner in seconds and never worry about the banner slipping over time.

Features and Benefits

- Stylish banner stand can display banners on one or both sides.
- Telescopic pole adjusts from 36"-96" H; lower pole is 1" diameter; bottom holder adjusts to match banner length.
- 7/8" W aluminum housing hides plastic banner holder insert; included end caps provide a finished look.
- SuperGrip® insert snaps shut and holds all types of banner material including paper, vinyl and fabric up to .040" thick.
- Holds banners 24" W.
- 5 lb 12" square base provides stability in high-traffic areas.
- Black aluminum pole and housings / black steel base.
- Deliver and maintain your brand identity in-store with custom laser-cut metal logo plates (25 quantity minimum).
