

Regency Scroll Pedestal

Regency Scroll Pedestals from FFR-DSI are perfect for any retail environment from the Deli and Bakery areas to the Floral Department. The Pedestals are steel coated for durability and include non-slip pads on the top to hold your display in place. The decorative scrollwork provides for a high end look for your custom display. Use all three heights of the Pedestals in your display for the greatest impact.

Features and Benefits

- Decorative scrollwork provides upscale look.
- Adaptable to most type displays.
- Different heights allow for customized displays.
- Give service cases height and dimension.
- 4 3/4" W x 4 3/4" D non-slip pad is available to hold displayware in place.
