# Slatwall SuperGrip® Sign Holder

Transform slatwall into a premier, promotional message center with the Slatwall SuperGrip® Sign Holder from FFR-DSI. Simple, effective design hooks neatly into slatwall to display signage in the highly visible “flag” position. Integrated hinge and SuperGrip® holding power withstand customer interaction to keep signage in place.

## Features and Benefits

- Hooks easily into existing slatwall for fast, tool-free installation that can be repositioned easily.
- Displays signage in the eye-catching “flag” position for maximum visibility.
- Integrated hinge flexes when bumped to withstand staff and customer interaction.
- SuperGrip® technology uses reverse-angle grippers to “clamp” onto signage for a secure fit that keeps signage in place.
- Two capacities give extra flexibility: display signage up to .100" thick or .100"-.250" thick.
