

Total Retail Solutions®

Spoons

FFR-DSI's offers a wide assortment of Spoons that are durable enough for daily use. From perforated to solid styles in black, clear or white polycarbonate plastic, there is sure to be a spoon ideal for any food service area. Polycarbonate is durable and long-lasting. Steel spoons are also available, contact FFR-DSI for details.

Features and Benefits

- Choose from a wide selection of spoons for increased versatility.
- Made of durable, polycarbonate plastic for a long-lasting solution.

See our complete line of Supplies, as well as thousands of other retail solutions, in the FFR-DSI YELLOW PAGES® Catalog.
