Stainless Steel Spoodles

FFR-DSI's Stainless Steel Spoodles – a combination of spoons and ladles – are ideal for accurate portion control. Spoodles' one-piece construction with no joint prevents collection of food, creating a cleaner utensil. Long handle adds comfort and usability. Available in solid or perforated styles and in multiple sizes.

Features and Benefits

- Provide accurate portion control.
- No joint design keeps Spoodle clean.
- Black polypropylene handle for comfort.
- Solid and perforated styles.
