

Total Retail Solutions®

Storage Cart with Flip Out Bins

The Storage Cart with Flip Out Bins from FFR-DSI is a convenient way to store cake decorating accessories and keep the kitchen organized. Each drawer features a label holder to make décor sets quick and easy to find. By having all of the accessories in one location in see-through bins, reordering needs are easy to spot. Organizer arrives pre-assembled and is on casters for easy mobility from station to station.

Features and Benefits

- Keeps bakery cake décor items neat and organized.
- Makes décor sets quick and easy to find.
- Saves time for reordering supplies.
- Pre-assembled.
