# Sure-Twist® Ceiling Clip

The Sure-Twist® Ceiling Clip from FFR-DSI locks into place with an audible "click" for a clear signal that hanging banners and other displays are securely attached. Available with a variety of cord lengths and colors to suit any store interior.

## Features and Benefits

- Twist-and-lock design snaps into place with a "click" to signal when installation is secure and complete for a worry-free solution.
- Locks onto most standard 1" ceiling grids for a universal solution that can be repositioned to suit changing signage needs.
- Available in a variety of styles: barbed clear monofilament or white cord available in 4', 6' or 8' lengths; white multi-split cord available in 6' L (branches are 2' L; cord is 4' L), in 3-branch or 4-branch styles.
- White ABS construction clip is durable and neutral.
