# Take-One™ Literature Box

The FFR-DSI's Take-One™ Literature Box is perfect to display purchase tickets for PSE drugs and other products, while also maintaining product exposure in the aisles. (Federal regulations required retailers to remove PSE Drugs from shelves effective September, 2006.) The Display easily affixes to the shelves and has a clear front to display the purchase tickets while not taking up valuable shelf space.

## Features and Benefits

- Maintains product exposure, even if stock is located at the pharmacy or service area.
- Customer takes card from display to pharmacy check out counter to purchase product.
- Connects to holes in shelf with push pins.
- Able to keep existing plan-o-gram and on-shelf product remains accessible for self serve to customers.
